# MATRIX PREMIUM EQUINE FEEDS PRODUCT INFO

Otter Co-op manufactures a comprehensive range of equine feeds, scientifically formulated to fulfill the needs of high-performance horses.

SCIENTIFICALLY FORMULATED FOR OPTIMAL PERFORMANCE

<b>RATION BALANCER LITE</b> <b>HORSE SUPPLEMENT</b> PELLET	 #H61985	<ul style="list-style-type: none"> <li>• Low intake, low-calorie, low-fat formula</li> <li>• Grain free diet ideal for horses vulnerable to Cushings, insulin resistance, or laminitis</li> <li>• Enhances digestion and provides healthy gut with yeast prebiotics and probiotics</li> <li>• Natural vitamin E and organic selenium for muscle function and repair</li> <li>• Balanced amino acid profile for muscle and joint development</li> <li>• Designed to be fed with high protein forages (alfalfa or legume)</li> </ul>	Crude Protein <b>10.0%</b>  Crude Fat <b>3.0%</b>  Crude Fibre <b>11.0%</b>	Sodium <b>1.2%</b>  Calcium <b>2.6%</b>  Phosphorus <b>1.6%</b>	Vitamin A <b>50,000 IU/kg</b>  Vitamin D <b>5,500 IU/kg</b>  Vitamin E <b>1,980 IU/kg</b>	Selenium <b>2.7 mg/kg</b>  Magnesium <b>0.4%</b>  Fluorine <b>110 mg/kg</b>	Potassium <b>0.9%</b>  Sulfur <b>0.3%</b>  Iron <b>380 mg/kg</b>	Copper <b>250 mg/kg</b>  Manganese <b>680 mg/kg</b>  Zinc <b>995 mg/kg</b>	Iodine <b>5.0 mg/kg</b>  Cobalt <b>1.1 mg/kg</b>	<b>INGREDIENTS:</b> Wheat Millrun, Soya Hulls, Beet Pulp, Dicalcium Phosphate, Limestone, Salt, Molasses, Vitamin and Trace Mineral Premix, Pellet Binder, Soy Oil, Whey Powder, Lysine, Threonine, Alltech Yea-Sacc®, Alltech Actigen®, Magnesium Oxide, Bio Plex Zinc®, Bio Plex Copper®, Bio Plex Selenium®, Flavor	
<b>RATION BALANCER</b> <b>HORSE SUPPLEMENT</b> PELLET	 #H61981	<ul style="list-style-type: none"> <li>• Low intake, low-calorie, low-fat formula</li> <li>• Grain free diet ideal for horses vulnerable to Cushings, insulin resistance, or laminitis</li> <li>• Enhances digestion and provides healthy gut with yeast prebiotics and probiotics</li> <li>• Natural vitamin E and organic selenium for muscle function and repair</li> <li>• Balanced amino acid profile for muscle and joint development</li> <li>• Feed with local forages where protein in forage is not optimal (local or grass hay)</li> </ul>	Crude Protein <b>20.0%</b>  Crude Fat <b>3.0%</b>  Crude Fibre <b>11.0%</b>	Sodium <b>1.2%</b>  Calcium <b>2.6%</b>  Phosphorus <b>1.6%</b>	Vitamin A <b>50,000 IU/kg</b>  Vitamin D <b>5,500 IU/kg</b>  Vitamin E <b>1,980 IU/kg</b>	Selenium <b>2.7 mg/kg</b>  Magnesium <b>0.4%</b>  Fluorine <b>95 mg/kg</b>	Potassium <b>1.0%</b>  Sulfur <b>0.5%</b>  Iron <b>380 mg/kg</b>	Copper <b>250 mg/kg</b>  Manganese <b>695 mg/kg</b>  Zinc <b>995 mg/kg</b>	Iodine <b>5.1 mg/kg</b>  Cobalt <b>1.1 mg/kg</b>	<b>INGREDIENTS:</b> Wheat Millrun, Canola Meal, Soybean Meal, Beet Pulp, Alfalfa Meal, Dicalcium Phosphate, Limestone, Salt, Molasses, Vitamin and Trace Mineral Premix, Soy Oil, Whey Powder, Alltech Yea-Sacc®, Alltech Actigen®, Lysine, Threonine, Methionine, Magnesium Oxide, Bio Plex Zinc®, Bio Plex Copper®, Bio Plex Selenium®	
<b>BROODMARE &amp; FOAL</b> TEXTURED	 #H93002	<ul style="list-style-type: none"> <li>• Manages musculoskeletal disorders and provides foals with adequate nutrients for initial development of limbs</li> <li>• Ensures proper nutrition for developing fetus of pregnant mares</li> <li>• Stimulates quality milk production</li> <li>• Bio available minerals for developing bone strength and agility of young horses</li> <li>• Stimulates muscle and joint development from key amino acids</li> <li>• Contains rice bran with powerful antioxidants, vitamin E, and omega 3</li> </ul>	Crude Protein <b>15.0%</b>  Crude Fat <b>5.0%</b>  Crude Fibre <b>11.0%</b>	Sodium <b>5.0%</b>  Calcium <b>1.2%</b>  Phosphorus <b>0.8%</b>	Vitamin A <b>17,450 IU/kg</b>  Vitamin D <b>1,900 IU/kg</b>  Vitamin E <b>300 IU/kg</b>	Selenium <b>0.6 mg/kg</b>	<b>INGREDIENTS:</b> Soybean Meal, Canola Meal, Wheat Millrun, Oats, Barley, Corn, Wheat, Molasses, Beet Pulp, Vegetable Oil, Pellet Binder, Limestone, Salt, Dicalcium Phosphate, Vitamin and Trace Mineral Premix, Alltech Yea Sacc, Vit AD&E Booster, Manganese Proteinate, Alltech Actigen, Magnesium Sulphate, Zinc Proteinate, Copper Proteinate				
<b>FAT SMART HORSE</b> PELLET	 #H93030	<ul style="list-style-type: none"> <li>• Calories from high fat, supports healthy weight gain</li> <li>• No grain or molasses, low sugar, and starch</li> <li>• Controlled slow-release energy from fat, provides calmer personality</li> <li>• Ideal for horses prone to tying up and other muscle disorders</li> <li>• Natural vitamin E and organic selenium for muscle and joint function and repair</li> </ul>	Crude Protein <b>14.0%</b>  Crude Fat <b>12.0%</b>  Crude Fibre <b>19.0%</b>	Sodium <b>0.41%</b>  Calcium <b>1.2%</b>  Phosphorus <b>0.7%</b>	Vitamin A <b>24,000 IU/kg</b>  Vitamin D <b>2,700 IU/kg</b>  Vitamin E <b>500 IU/kg</b>	Selenium <b>1.0 mg/kg</b>	<b>INGREDIENTS:</b> Wheat Millrun, Soyhulls, Alfalfa Meal, Canola Meal, Beet Pulp, Soy Oil, Whey Powder, Limestone, Dicalcium Phosphate, Pellet Binder, Vitamin and Trace Mineral Premix, Salt, Alltech Yea-Sacc®, Flavor, Alltech Actigen®, Lysine, Alimet, Bioplex Magnesium®, Bioplex Copper®, Bioplex Zinc®				
<b>FIBER SMART HORSE</b> PELLET	 #H01676	<ul style="list-style-type: none"> <li>• No grain or molasses, low sugar, and low starch</li> <li>• Modest calories suitable for easy keepers without sacrificing nutrition</li> <li>• Grain free diet ideal for horses with vulnerable to Cushings, insulin resistance, or laminitis</li> <li>• Added yeast (prebiotics and probiotics) for improved digestion and gut health</li> <li>• Natural vitamin E and organic selenium for muscle and joint function and repair</li> </ul>	Crude Protein <b>14.0%</b>  Crude Fat <b>6.0%</b>  Crude Fibre <b>21.0%</b>	Sodium <b>0.4%</b>  Calcium <b>1.3%</b>  Phosphorus <b>0.6%</b>	Vitamin A <b>24,000 IU/kg</b>  Vitamin D <b>2,700 IU/kg</b>  Vitamin E <b>500 IU/kg</b>	Selenium <b>1.0 mg/kg</b>	<b>INGREDIENTS:</b> Wheat Millrun, Dehy Alfalfa Meal, Soyhulls, Vegetable Oil, Whey Powder, Canola Meal, Sodium Bentonite, Dicalcium Phosphate, Limestone, Salt, Vitamin and Trace Mineral Premix, Alltech Yea-Sacc®, Alltech Actigen®, Lysine, Methionine, Threonine				
<b>MATURE HORSE</b> TEXTURED	 #H73981	<ul style="list-style-type: none"> <li>• For light to moderate working horses whose weight control is an issue</li> <li>• Feed with average quality forage</li> <li>• Highly digestible fibre sources and protein from grain where feeding grain is not a concern</li> <li>• Protein and fermentable fibres offer calm energy</li> <li>• Organic trace minerals for increased bioavailability and immune functions</li> </ul>	Crude Protein <b>14.0%</b>  Crude Fat <b>4.5%</b>  Crude Fibre <b>10.0%</b>	Sodium <b>0.4%</b>  Calcium <b>0.9%</b>  Phosphorus <b>0.7%</b>	Vitamin A <b>13,200 IU/kg</b>  Vitamin D <b>1,450 IU/kg</b>  Vitamin E <b>220 IU/kg</b>	Selenium <b>0.45 mg/kg</b>	<b>INGREDIENTS:</b> Barley, Oats, Corn, Wheat, Wheat Millrun, Wheat Distiller Grain, Soluble Canola Meal, Soybean Meal, Beet Pulp, Molasses, Soy Oil, Vegetable Oil, Dicalcium Phosphate, Limestone, Sodium Bentonite, Salt, Vitamin and Trace Mineral Premix, Vit AD&E Premix®, Manganese Proteinate, Magnesium Oxide, Zinc Proteinate, Copper Proteinate, Alltech Actigen®, Alltech Yea-Sacc®				
<b>MATURE HORSE</b> PELLET	 #H71989	<ul style="list-style-type: none"> <li>• For light to moderate working horses whose weight control is an issue</li> <li>• Feed with average quality forage</li> <li>• Highly digestible fibre sources and protein from grain where feeding grain is not a concern</li> <li>• Protein and fermentable fibres offer calm energy</li> <li>• Organic trace minerals for increased bioavailability and immune functions</li> </ul>	Crude Protein <b>14.0%</b>  Crude Fat <b>4.5%</b>  Crude Fibre <b>10.0%</b>	Sodium <b>0.5%</b>  Calcium <b>0.9%</b>  Phosphorus <b>0.7%</b>	Vitamin A <b>17,000 IU/kg</b>  Vitamin D <b>1,880 IU/kg</b>  Vitamin E <b>300 IU/kg</b>	Selenium <b>0.61 mg/kg</b>	<b>INGREDIENTS:</b> Barley, Wheat Millrun, Dehy Alfalfa Meal, Wheat, Canola Meal, Soyhulls, Molasses, Soybean Meal, Vegetable Oil, Dicalcium Phosphate, Limestone, Salt, Soy Oil, Vitamin and Trace Mineral Premix, Alltech Yea-Sacc®, Flavor, Vit AD & E Premix®				
<b>SENIOR HORSE</b> PELLET	 #H93980	<ul style="list-style-type: none"> <li>• Blend of fermentable fibres and forage sources for gut health and improved digestion</li> <li>• Partially replaces hay or pasture for horses with dental concerns</li> <li>• Soft pelleted feed ensures easy chewing and is highly palatable for fussy eaters</li> <li>• Added prebiotics &amp; probiotics for improved digestion and gut health</li> <li>• Natural vitamin E and organic selenium for immune system and muscle function</li> </ul>	Crude Protein <b>13.0%</b>  Crude Fat <b>4.0%</b>  Crude Fibre <b>15.0%</b>	Sodium <b>0.38%</b>  Calcium <b>1.3%</b>  Phosphorus <b>0.7%</b>	Vitamin A <b>7,300 IU/kg</b>  Vitamin D <b>800 IU/kg</b>  Vitamin E <b>150 IU/kg</b>	Selenium <b>0.3 mg/kg</b>	<b>INGREDIENTS:</b> Dehy Alfalfa Meal, Barley, Wheat Millrun, Wheat, Canola Meal, Beet Pulp, Molasses, Dicalcium Phosphate, Limestone, Salt, Soy Oil, Whey Powder, Vitamin and Trace Minerals Premix, Alltech Yea-Sacc®, Flavor				
<b>FIBRE MAX</b> PELLET	 #M73997	<ul style="list-style-type: none"> <li>• Low NSC for carbohydrate intolerant horses</li> <li>• Low sugar content, approximately 5%</li> <li>• Soy hulls are a safe and effective fibre source with low sugar, and low starch</li> <li>• Assists in hind gut hydration</li> <li>• Both super fibres will be digested in the hind gut, therefore enhancing digestion</li> </ul>	Crude Protein <b>7.0%</b>  Crude Fat <b>1.0%</b>  Crude Fibre <b>30.0%</b>	Sodium <b>0.11%</b>  Calcium <b>0.6%</b>  Phosphorus <b>0.1%</b>	<b>INGREDIENTS:</b> Beet Pulp, Soya Hulls						

Ensure your horse stays in peak physical condition with Pegasus Equine Products.

## SUSTAINABILITY

At Otter Co-op, we believe in using environmentally conscious packaging solutions that promote sustainability with our Matrix Equine Feed bags.

### BIODEGRADABLE

Multi-wall paper bags are bonded to a biodegradable moisture barrier to ensure our products stay fresh while preserving the planet.

### RECYCLABLE

All Matrix Equine Feed bags are 100% recyclable including the ink, which is a biodegradable vegetable base.

## MATRIX EQUINE FEEDS CONTAIN:

**BIOPLEX**

Chelated organic trace minerals

**Actigen**

Probiotics for gastrointestinal health

**INTEGRAL**

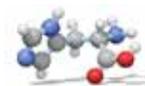

Improves feed safety

**Yea-Sacc**

Stabilizes hind gut environment

Natural Vitamin E

Complete range of amino acids

Otter Feed
